Metro 2a and 7 start date: Good news for Mumbaikars! Metro first phase in service this month – aaditya thackeray visit metro project

M. Ta. Representative, Mumbai

The first phase of 'Metro 7' and 'Metro 2A' routes will be started this month after completing the permitting process from the Center. Urban Development Minister Eknath Shinde and Environment Minister Aditya Thackeray inspected the 'Metro 7' route from Andheri East to Dahisar East on Wednesday. He gave this information at that time. Metro train was tested on Aarey to Dindoshi Metro line.

Metro Railway Safety Commissioner (CMRS) N. The inspection of the second phase of Metro 2A route from Nagar to Dahisar East was completed on Tuesday. Now only 4 stations on Metro 2A line remain to be inspected. The CMRS team is expected to arrive in Mumbai once again this week. Therefore, CMRS certificate will be issued for starting Metro line after completion of inspection for a few more days. As soon as this certificate is received, the Metro will be available to Mumbaikars in a few days.

In the first phase, metro will be started in the area of 20 km from Dahanukarwadi to Aarey. The rest of the route will be started in the next three months. N. Metro will run on the entire route from Nagar to Dahisar East Metro 2A and Andheri East to Dahisar East Metro 7, officials said.
